A beautiful deep laurel wreath stamping, on extra thick metal gives the pin a "significant" feel. Carefully polished to an ultra smooth finish and plated with 14k gold, this pin FEELS very expensive when you hold it.

We recommend adding the optional leatherette case for an even more exclusive presentation. \$ 2.50 (P)

EMPR Rectangle

Pick a Number - Any Number
The new employee recognition pin uses insert numbers, so you can pick as many of each as you need. You can even have one or two Swarovski Crystals in the insert.
